

项目位置示意图

用地范围

涉及林地范围

This is an aerial photograph of a landscape featuring a mix of green forested areas and built-up land with buildings and roads. A red line is drawn across the image, following a path that starts in the upper left, runs diagonally through the center, and then turns right towards the bottom right. A small section of this red line at the top left is highlighted with a blue rectangular overlay. A legend in the bottom left corner identifies the red line as the '用地范围' (land use range) and the blue area as the '涉及林地范围' (forest land involved range).
